Roman Praetorian Guard Helmet PRAET• 001

Galea Praetoriana Neo Attic Style 1.-3.century
(category Praetorian Reenactment Outfit)

This product is a representative Roman Praetorian Helmet. The reference is taken from a famous Original Relief and proves the extravagant and luxury but classic „hero“ look of a noble officer of the Guard.

The Helmet itself was used for „Pompa“ parades and when showing up in public with the Roman Emperor who had to be well protected by his Body Guards all the time.

Roman Praetorian Pugio Dagger PRAET• 004

Officer Style 1.-3.century / fits with various Legion Outfits
(category Praetorian & Legionnaire Reenactment Outfit)

The dagger called „Pugio Vindonissa“ was found in an area of a former military fortress in (Windisch) Switzerland. As far as we know, this is the only complete replica of this find that has been sold publicly so far. Although the original dagger has suffered greatly in two thousand years, we were able to produce a beautiful, detailed reconstruction.

Production on request, requires minimum five months to be delivered.

USD

Roman Praetorian Scuta protector PRAET• 005

Oval Guard Style 1.-3.century / with Scorpio for COH • PRAET
(category Praetorian Reenactment Outfit)

The Trajan column shows Praetorian Body Guards and their bucklers. This is the reconstruction of that design in detail. The scorpion stands for the Praetorian Guard unit and we can offer two color variations: This buckler was mainly used in body guard protection service in combination with a spear (Hasta).
